An Awareness Camp was organized at Career Point University for the Prevention of HIV on International Youth Day

On 3rd September 2022 an awareness camp was organized at Career Point University on the measures to be taken for the prevention of HIV on International Youth Day. International Youth Day program was organized for the first time after Corona. In this program, the Vice Chancellor of the University, Prof. (Dr.) K.S. Verma was present. Along with this, Health Officer Lalit Kalia, District Program Head Sunil Verma and Block Health Educator Amardeep Singh from the administration were present as special guests. The Chief Guest Prof. (Dr.) K.S.Verma said that to deal with diseases like HIV, it is imperative that we focus on measures and prevention to reach the root of this problem. He appreciated the efforts made by the government and said that there has been a decline in medicine and awareness campaigns. Health Officer Lalit Kalia said that the main objective of the Youth Day is to take the work done by the voice of the youth to the country and the world and to discuss political, social and economic issues. The youth of any country is the backbone of that country. He told that the only way to prevent HIV infection is to make people aware about it. A painting and speech competition was also organized on this program in the university campus, in which about 30 students participated. In the speech competition Shivani stood first, Shana got second and Shivali stood third. Team of Rohit, Rishanka, Simran and Priyanka got first position in painting competition.

Teacher's Day Celebrated at Career Point University

On 5th September 2022, teacher's day was celebrated in Career Point University with full fanfare. Teacher's Day in India is celebrated as the birthday of former President Dr. Sarvepalli Radhakrishnan. This day is to show love and respect to teachers. Teachers have the most important role in our life as they not only give us bookish knowledge but also prepare us for the challenges to come. , The teacher creates the personality of the student like a potter and lights up the light of knowledge by burning like a lamp. This day is to show love and respect to teachers. On this day the University Students of all departments like Physics, Chemistry, Botany, Mathematics, Zoology, Micro-Biology, B.Pharmacy, B.Tech, Management, Hotel Management, and Law celebrated Teacher's Day in their own way.

75th Azadi Amrit Mahotsav Celebrated at Career Point University

On 17th September 2022, a program was organized on Azadi Amrit Mahotsav at Career Point University. The Honorable Vice Chancellor, Professor (Dr.) K.S. Verma and social worker Sh. Pratap Kumar were present as the guest of honor. The Amrit Festival of Independence is dedicated to the people of India and the brave soldiers. This festival is dedicated to the people of India, who have played a vital role not only in bringing India in its development journey. In this program the students graced the program with patriotic songs. At the end of the program, Dean Student Welfare Prof. (Dr.) Naveen Thakur thanked the chief guest, guest of honor, staff, students and other dignitaries.

Workshop on Sexual Harassment

On 19th September 2022, Workshop on Sexual Harassment was organized at Career Point University. In this workshop, Rekha Sharma, Senior Advocate of District Court Hamirpur, who is currently working as President of District Child Welfare Committee, Social Justice and Empowerment Department, Himachal Pradesh, appeared as an expert speaker. Addressing the staff and students, he also discussed about various laws like Indian Penal Code, Criminal Procedure Code and Information Technology Act regarding sexual harassment. Sexual harassment at workplace is not only harassment that causes mental and physical harm to the person. Rather, due to sexual abuse or harassment at the workplace for a long time, the mental condition of the woman becomes so bad that she starts living under stress. Women who have been victims of sexual abuse often suffer from sleep disorder. This workshop was done under the supervision of Assistant Professor Dr. Bindu Sharma, Department of Physics. Dr. Indu Sharma, Associate Professor, Department of Physics, thanked the chief guest, staff and students who came to the workshop.

Department of Science and Technology, Government of India, Himachal Pradesh First Technology Enabling Center Set Up

On 21st September 2022, Technology Enabling Center has been established in Career Point University by the Department of Science and Technology, Government of India. Career Point University is the first university in Himachal Pradesh in which this center has been established. In the entire North Zone, only three such centers have been established by the Department of Science and Technology, Government of India, in which Career Point University has also joined with Panjab University. Funds are also being given for the first year to establish this center by the department and for further work. In the Technology Enabling Center, various people such as researchers, students, teachers, startups-entrepreneurs and industry will work to advance various technologies. This center will be the satellite center of Panjab University in the first year. The objective of this center will be helpful in advancing the field of industry and social service in technology development. The university is already working on research and innovation for the development of social humanity. In this context, recently the university has started work on solving their problems by connecting about 35000 women of 75 villages and 75 blocks. Researchers, students who have innovative ideas to solve problems and are looking for collaboration from industry, and industry who are willing to collaborate academia to find solutions to their problems, and academia for research focused problems. All those who want to cooperate together will be able to take advantage of this center.

World Tourism Day Celebrated by Hotel Management Department of Career Point University

On 28th September 2022, World Tourism Day was celebrated by the Department of Hotel Management, Career Point University. The purpose of celebrating this day is to increase tourism and spread awareness at the international level. World Tourism Day is celebrated every year to promote tourism in different parts of the world. The theme of this year's World Tourism Day was 'Tourism Rethinking', after the pandemic has caused the most damage to tourism.

The Honorable Vice Chancellor of the University, Professor (Dr.) K.S. Verma was present along with this, Dean Academic Affairs Professor (Dr.) HR Sharma, Dean Engineering Prof. (Dr.) MR Sharma, Dean Student Welfare Prof. (Dr.) Naveen Thakur and Dean Management Prof. (Dr.) Sanjay Thakur also attended the event. He said that tourism is very important for the economy of the state, employment of many people is connected with tourism industries. Which has now got a chance to emerge after Corona. In the sale making competition, Ankita and Priyanka (MSc Chemistry) stood first, Nitesh, Yash, Namita and Anubhav (Hotel Management) stood second and Sneha, Riya (Pharmacy) Diksha, Ankaksha, Anuradha and Manisha (Botany) stood third. In poster making, Neha Sharma (Zoology) got first, Vishal and Shabnam (Mathematics) second, Ankita and Sakshi (BCA) got third place. The winners of the competition were awarded by the Vice Chancellor Professor (Dr.) K.S. Verma. The Head of the Department, Dr. Vineet Thakur thanked the chief guest, other dignitaries and participants present in the program.

Four Students Selected in Bharat Scouts and Guides during Pioneering Workshop

On 29th September 2022, six days Pioneering Workshop is being organized by Bharat Scouts and Guides, Himachal Pradesh State Training Centre, Rewalsar, District Mandi. Giving this information, Sh. Kundan Lal, Coordinator of Career Point University, Hamirpur, Bharat Scouts and Guides said that in this 6-day workshop, four students of Career Point University also selected for Scouting and Guiding training. Scout Adventures provides an excellent base to meet many other Scouts. The subjects taught in this help the participants to perform well in various competitions in the state level camp. By introducing scouts, more and more students are motivated to be involved in self-development and various types of competitions are also organized in it. Such as scout guide, exercise demonstration, folk dance, scout guide art performance, band performance, pioneering project, campfire and art of tying hundreds of knots to connect pieces of rope etc. will be taught to the students.

Celebration of World Pharmacist Day 2022

On 30th September 2022, Pharmacist Day was celebrated by the Department of Pharmacy, Career Point University. Dr. Kamal Jeet, Head of the Department of Pharmacy, first of all wished 'World Pharmacist Day' to all present in the program. Giving information on this topic, Dr. Kamal Jeet said that Pharmacist Day is celebrated to highlight the contribution of pharmacists in health improvement. Pharmacists play a major role in the healthcare sector like doctors. This year's theme, 'Pharmacy for a Healthy World', aims to promote unity and highlight the effects of pharmacy on health. A pharmacist contributes to the research of new drugs, they provide their important services in hospitals, medical clinics, government institutions and universities. In this program the students of the pharmacy department explained the functioning of different parts of the body through different models. Information also shared regarding the use of the drug. The students of the department participated in poster making, speech and quiz competition etc. In speech competition Shivali and Sahana got first, Sakshi and Anjali got second and Arun and Navneet got third. Komal and Yashika stood first, Simran and Mannat stood second and Priyanka and Rishita stood third in poster making. Bhavna, Neeraj, Muskaan and Vijay stood first in quiz competition. This workshop was organized under the supervision of Assistant Professors Ms Kanika Pathania and Ms Rajni Devi. In the end, Assistant Professor Dr. Gajendra Singh thanked all the professors and students who participated in the program.
