(A) Achievements

1. On 1st Aug.2023, 3 Zero an international organization, organized a program in which 1,250 institutions from 53 countries participated and Career Point University in

Northern India was one of them. Professor Yunus, a Nobel Laureate, is the founder of the 3 zero club. The 3 Zero Clubs' mission is to educate youth with the goals of a three-zero world and motivate them to achieve these goals through creative initiatives. Professor Yunus initiated the establishment of a network of 3 Zero Clubs to acquaint young people with the objectives and ways to achieve a three-zero world, fostering their capability and motivation for entrepreneurship.

The 3 Zero Club has expanded to over 1,250 clubs, uniting over 6,400 youths to lead with compassion and provide practical, innovative solutions to local challenges, driven by practical, creative, and novel approaches.

53 countries participated in this International program and awards were given to three countries- Nepal, Malaysia, and India. Assistant Professor Dr. Aarti Sharma from Career Point University received the award, in this collaboration, representing India. This club is being supported by a number of developed countries, including Japan and China. Career Point University is the first university in Northern India to make a difference in the realization of a three-zero world. Dr. Aarti was warmly welcomed by the administration, professor and goals of non-teaching staff of the university.

(B) Events & Activities

On 2nd Aug. 2023, the two-day national conference began at Career Point University. Mr. Inder Dutt Lakhanpal was the chief guest for the event. The special guest of the Youth Agripreneurship and Startup was Professor P.L. Gautam, Pro-Chancellor of Career Point University. The Chief Guest inaugurated the TechnoV8 Hub during the event. The university's initiatives like promoting traditional science to empower youth and women, the Chief Minister's Startup Scheme's incubator for products like organic fertilizers and traditional medicines, and the release of the book "Bhartiya Sanskar Vigyan - Uchayansanskari Sankalp Shreshth Insaan" (Indian Culture Science - Building Ideal Human

Beings) were launched. The Livestock Development Project for Scheduled Caste farmers was also launched.

The chief guest, special guest, distinguished personalities, and other esteemed individuals were welcomed by Career Point University's Vice Chancellor, Dr. Sanjeev Sharma. He mentioned that the university is the birthplace of revolutionaries, writers, and authors like Yashpal, who played significant role in India's freedom struggle. Yashpal's multifaceted talent is evident through his novels, stories, essays, travelogues, plays, and autobiographies. Yashpal has become a prominent name in literature after Munshi Premchand. The Department of Science and Technology, Government of India established the Technology Enabling Center. Career Point University is the first university in Himachal Pradesh has such centers. The center aims to create self-employment and provide financial assistance for establishing new industries. The chief guest highlighted that our country is witnessing the rise of 'New India and Youth India' in various sectors, aligning with dreams and making a new identity on the global stage. In our country, unemployment is a major issue, and the alternative solution is to improve the entrepreneur's path, rather than seeking employment. Scientists, educators, farmers, students, Himalayan and public welfare organizations (NGOs), women from all districts, block presidents, district presidents, and students from various Districts took part in this program.

Conclusion of the Youth Agripreneurship and Startup Workshop at Career Point University:

On 3rd Aug 2023, The two-day national conference on Youth Agripreneurship and Startup concluded successfully. The chief guest for the closing ceremony was Professor P.L. Gautam, Pro Chancellor of Career Point University. Mr. Shashi Kant Sharma and Lalit Kumar, members of the Himachal Pradesh Private Educational Institutions Regulatory Commission, were also present. Mr. Shashi Kant Sharma, member of the Himachal Pradesh Private Educational Institutions Regulatory Commission, mentioned that this type of conference will greatly assist the youth in establishing entrepreneurship in the field of agriculture. He emphasized that now is the time for agricultural scientists, young farmers, and young people to collaborate and find ways to create employment in the agricultural sector. Agripreneurship is an option that focuses on revitalizing the agricultural sector. Lalit Kumar, in his address, stated that Career Point University is working at the grassroots level to initiate startups. Startups play a vital role in bringing about social change, improving people's way of living and working, and creating jobs by producing safe, affordable, and more functional products.

At the end of the program, Professor Sanjay Thakur, Registrar of CP University, thanked the chief guest, scientists, researchers, speakers, and farmers for their participation in the conference. He also expressed gratitude to supporting organizations such as MS Swami Nathan Research Foundation, Chennai, Satluj Jal Vidyut Nigam Limited Shimla, ASREE, Virudhunagar, Department of Industries, Himachal Pradesh Government, India Millet Initiatives, Noida, UP, ICAR-Indian Grassland and Fodder Research Institute (IGFRI), Jhansi, India Millet Initiatives, Noida, UP, Indcare Trust, Delhi, and Himachal Pradesh, Laxmi Jan Kalyan Seva Sansthan, Muradnagar, Ghaziabad, UP, as well as the entire team involved in making the conference successful.

Career Point University Commences New Session with Two-Day Orientation Program

On 17th Aug 2023, a two-day orientation program was organized at Career Point University to welcome new students. (Dr.) H.R. Sharma, the Academic Affairs Dean, lit a lamp to start the orientation program on the first day. Prof. (Dr.) H.R. Sharma addressed the students, emphasizing the importance of such programs for new students as they acquaint themselves with the university, its faculty, and its environment. He encouraged the students to persist in their efforts to enhance their personalities and remain committed to self-improvement. He stressed the significance of maintaining a positive outlook in life and taking on responsibilities towards society, along with ethical values. The event was organized by the Student Welfare Cell.

The newcomers were introduced to the various departments and their respective professors by Prof. (Dr.) Sanjay Thakur, the Registrar and Prof. (Dr.) Navin Thakur, the Dean of Student Welfare Affairs. Information was also shared about the Anti-Ragging Committee established at the university, emphasizing the importance of immediately reporting any incident of ragging to the university authorities.

Interaction Session

On 22nd Aug 2023, Career Point University held its first interactive session with the Vice-Chancellor for new students of the 2023 session. During this session, the Vice-Chancellor of Career Point University, Dr. Sanjeev Sharma, addressed the students present in the auditorium and said that our university is established a place where freedom fighters, literary figures, and renowned writers like Padma Shri and Padma Bhushan awardee Shri Yashpal have their roots.

On this occasion, he encouraged students to engage fully and sincerely in their courses right from the beginning and advised them to communicate their objectives. He

emphasized the importance of ethics and science, stating that a good personality and behavior, along with being a good person are essential. He recommended improving both personal and professional personalities and stressed the significance of becoming a good human being with a strong sense of duty and righteousness. He explained that values are linked to good moral values and that various institutions are working in fields like engineering and science. While we are producing good technocrats for society, an ethical society can only be built through values. He motivated students to work hard to achieve their goals and interact with everyone respectfully and humbly. He encouraged students to contribute to the Chief Minister's Relief Fund during times of crisis in Himachal Pradesh. He suggested that in the slogan 'Jai Jawan, Jai Kisan, Jai Vigyan, Jai Anusandhan,' there is a need to include 'Jai Insaan' (Hail Humanity).

"The students of the Law Department at Career Point University, Hamirpur, undertook a police familiarization tour to Bhuntar, Himachal Pradesh.

On 24th Aug, An educational tour was organized by Law Department at Career Point University to enhance student's practical understanding. As a part of this tour, the students visited the Bhuntar Police Station, accompanied by Dr. Aman Deep Nadda and Miss Neetu Thakur. During the tour, police officer Mr. Satinder Kumar provided the students with information about crimes, FIRs, investigation procedures, and the legal aspects implemented by the police. The students were also explained the process of identifying crimes and the legal steps taken against them. As a result of this informative tour, the students not only gained knowledge about various artificial scenarios involving legal procedures, but they also became familiar with the legal dimensions employed by the police. This tour not only enabled students to understand different aspects of legal processes, but also exposed them to the legal facets practiced by the police. The students

emerged from the tour with a positive outlook, and it rejuvenated their enthusiasm for their studies. The tour not only provided students with a firsthand experience of procedures and practices, but also equipped them with unique knowledge sources that will undoubtedly empower them to take a fresh approach to their studies and careers.

Student Placement in Axis Bank

On 25th Aug 2023, The Training and Placement Cell of Career Point University organized a virtual campus drive. Vinod Kumar, the Placement Officer of the university, informed that a M.Com student has been selected by Axis Bank for a package of 3 lakhs. Multinational companies and Axis Bank, along with HDFC Bank, frequently visit the University for Campus Placements.

All professors from the Management Department congratulated the M.Com student, Shivani and wish her a bright future. Department Head Karan Thakur stated that Career Point University is focused on providing jobs to students alongside quality education.

Contribution to Chief Minister Relief Fund :

On 28th Aug 2023, Career Point University contributed nearly 3 lakhs rupees to the Chief Minister's Relief Fund to aid those affected by the disaster. The university's management, professors, and staff have collectively donated their one day's salary, along

with a contribution from the students' collection, to support the relief fund. This amount has been presented to the Chief Minister's Relief Fund through the efforts of the university's Vice-Chancellor and local legislator, Mr. Suresh Kumar. Mr. Kumar expressed his sorrow upon witnessing the devastation caused by heavy rainfall and mentioned that he wanted to offer some assistance from the university's side. The donated amount has been gathered from the contributions of the university's employees and students with the intention that it can be used for the welfare of those in need. Considering the extensive damage caused by heavy rains in Himachal Pradesh, the university has extended its helping hand to provide support. The Chief Minister thanked the university's administration and students for their generous contribution towards the relief fund. He appreciated their efforts in coming forward to help during this time of distress. The Chief Minister has also invited the university's female and male students to his residence for a discussion. The students of the university have pledged their support to the Chief Minister's Relief Fund and have raised funds as well. They expressed their pride in their Chief Minister who is working 24 hours to helping people during this crisis. They find this dedication inspiring and commendable."

NCC Selection

On 29th Aug.2023, Career Point University has been sanctioned 80 seats for Senior Division NCC (Army) by NCC Company Hamirpur, Himachal Pradesh. A total of 65 students participated in the NCC cadet selection process. This selection process was conducted for 27 Senior Division NCC cadets.

The selection process included a written examination,

physical fitness test, followed by an interview and medical examination. Dr. Anupam Manhas, Engineer Anshul Thakur, Kundan Lal, Prem Lata, Subordinate Officer Ashwini Chandel, Yudhveer Singh, one JCO, and two NCOs were present. Wishing a bright future for the selected cadets, it was emphasized that they should contribute to the nation-building by upholding various qualities and responsibilities of a cadet. NCC camps enable cadets to enhance leadership skills based on adventurous activities and improve their moral character. The enthusiasm of the students towards NCC was remarkable to witness.
